## FUNDING OUR PROGRAMS

### SCJGF General Fund

Provides resources for the future of the SCJGA's and SCJGF's operating needs and supported activities. Gifts to this fund are designated to assist in junior golf development programs, junior golf competitions, equipment for juniors, Little Legends programs, SCJGA general operations and statewide junior golf programs like Hook-A-Kid on Golf, Special Olympics and The First Tee Facilities located around SC.

### PAR Fund

The Player Assistance Reserve Fund provides junior specific players, who are less fortunate, with the resources needed to compete in local, regional and national events. Today's competitive players and their families face a tremendous financial burden. For those wishing to compete in events who may not have the resources available, you now have the ability to apply to the foundation to help offset these immense costs.

### Scholarship Fund

Donations to the Scholarship Fund are used to directly support the college scholarships awarded annually by the SCJGF.

### Hootie and the Blowfish Junior Golf Series Fund or Chapter Tour Fund

Gifts designated to support the Chapter Tour are for the support of the SCJGA's 18 Chapters across South Carolina, placing more than 1,400 youth on the golf course every week throughout the summer.
